Product Data Sheet

CARNAUBA SPEED WAX

Professional speed-wax

- Nano technology carnauba-based wax delivers incredible speed of application and durable protection for paintwork.
- This high end polish is both fast and easy to use.
- Wax a complete car in 30 minutes or less!
- Leaves a 'wet-look' high gloss long lasting finish which repels dirt and water for easy repeat cleaning.
- Developed for all modern paint finishes including HS, Ceramic Clear Coat etc.
- "Coating Safe" - will not damage an existing surface coating
- Low chalk formula minimises marking of rubber and plastic trim.

ZIR515500

500ml/16.9fl/oz.

DIRECTIONS:

*Ensure paint surface is clean and avoid working in direct sunlight.
Shake well before use.*

Apply a small amount of Carnaub Speed Wax to a clean moist Polish Applicator Pad.

Spread a thin, even coat across the paint surface.

Allow to 'haze' and use a clean, dry Microfibre Detailing Cloth to buff to a high gloss shine.

For additional information see relevant Safety Data Sheet.
